

**REQUIREMENTS:****Create (1) or (2) 11"x17" Drawings**

(drawings may fit on a single sheet, if not create a second sheet)

Use Rhino to produce Floor Plans and an Elevation of your Studio Wood Precedent project. If you are not in 1st year studio you can use a previous or current studio project.

Drawings should have 3 to 5 line weights.

Drawings should be to scale. Use an appropriate scale to fit drawings on 11"x17"

Plan drawings should include a north arrow and a graphic scale

SCALE FACTORS:

Imperial - $1/8" = 1' = 96$ scale factor, $1/4" = 1' = 48$ scale factor, $1/2" = 1' = 24$ scale factor

Metric - $1:50 = 50$ scale factor, $1:100 = 100$ scale factor, $1:200 = 200$ scale factor
