

*Sarah Kay Stephens - DC3 - Fall 2019*

## REQUIREMENTS:

**Watch:** [Diagrams using Rhino 3D Tutorial](#)

**Use** your studio 'Community Art Space' project to produce (2) sets of (3) iterative diagrams in Rhino. **(6) 3D Diagrams total.**

Use Rhino to make (3) Program Diagrams and (3) Massing Diagrams. The Diagrams must tell a story. Diagrams must include text and Key/Legend. There will be (6) diagrams in total. Compose all (6) diagrams on (1) 11"x17"

**Produce** a hybrid **line, shade, and shadow** exterior rendering of your (6) diagrams that must include the following:

- Scale figures
- Use solid color fill as shown in the Diagrams using Rhino 3D Tutorial
- Descriptive lines, arrows, etc. as needed

**Assemble** your diagrams in a 3 x 2 grid on one 11" x 17" page in InDesign (ie. you should have six diagrams total). Your diagrams must be labeled.

**Add** a legend that corresponds to any color fill

## DUE DATE AND TIME:

Before Class-11

**SUBMIT:** Upload a single PDF file with to your individual drive folder

## FILE NAMING:

FIRSTNAME\_LASTNAME\_A#.PDF
